At Major Vatican Meeting, Women’s Issues Are Relegated to a Side Group

By Elisabetta Povoledo

Reporting from Vatican City and Rome

...

Throughout this month, various groups have been staging events to raise awareness about women’s role in the church. A liberal group called We Are Church performed a short play at a religious house in Rome, condemning the “absurdity” of deliberating whether women should be given full equality. Ms. McElwee’s group held protest marches.
